IMPORTANT ENROLMENT INFORMATION

Prior to the end of each year we distribute the Course List for the new year. Membership Renewal/Enrolments Days (2) are conducted early December allowing members to choose their courses for the coming new year. In January of the new year, two Badge Collection/Course Confirmation Days are made available. It is important to attend one of these days. Members are required to wear their badges to all classes.

Most Classes/Activities do have restrictions on numbers, should they fill then members are placed on a waiting list. If we cannot offer members at least one class of their choice, we will refund their membership fees.

Members joining throughout the year complete this form, in most cases they would be advised if there are no vacancies in their classes of choice. All queries should be directed to the Course Coordinators.

Should you change your mind about a class or find that you have other commitments, PLEASE ADVISE THE OFFICE IMMEDIATELY so others can take your place. It is important to keep a copy of your class request details for future reference.
